CLASS HISTORY

The year of years has ended and with it the events that the class of '53 will hold dear. Before we take our place in society, let's take a backward look to the beginning of our class history.

We made our start on a high school career with Robert Born as our seventh grade president. Barbara Hollar succeeded to the presidency in the eighth grade. Our social events included roller skating parties, social hours, and class picnics at Cass Benton Park and a trip to Belle Isle.

We were first granted recognition by the sophomores who proceeded to initiate us in the ways of high school life. The year was full of new experiences which with the help of our president Shirley Vandecar, proved to be exciting and memorable.

Our sophomore year brought us the delightful task of initiating the freshmen who were very lucky in escaping most of what we had endured. We sponsored our first dance "Tulip Trample" which proved to be a big success. The rest of the year went smoothly under the guidance of our able president Russell McQuaid. With our new class rings on our fingers we concluded the year with a trip to Walled Lake.

Juniors at last! With Dan Larsen presiding we began a year full of activities. First we selected our class colors and motto. Kelley Green and White and "Onward and Upward but Never Backward" was our choice. Our memorable J-Hop "Frosty Frolic" came up in December. March 14 found us with our "Gay Nineties" dance. Curtain Going Up! This was heard on May 1 as we proudly presented our class play "That Crazy Smith Family." The Junior-Senior Banquet and a trip to Bob-Lo ended a very exciting year.

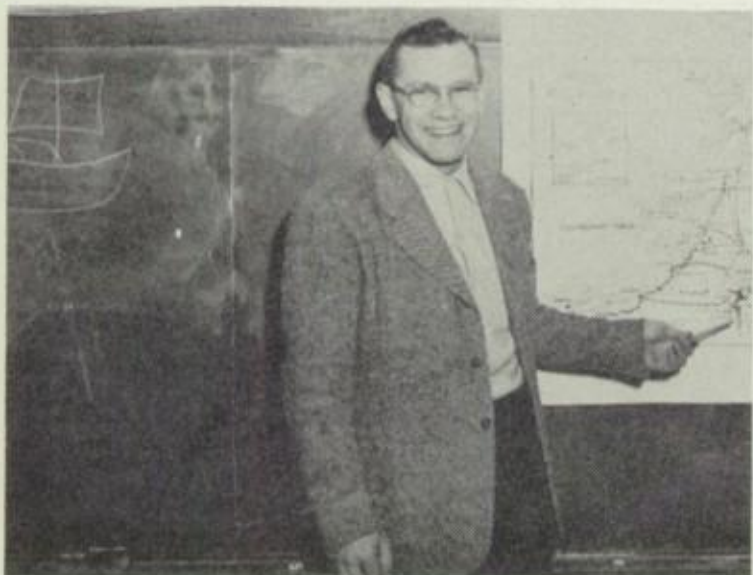

It was hard to believe that the year of years had finally arrived. We were seniors. Dan Larsen was re-elected president, and the other senior officers were Bendetta Cole vice-president, Barbara Hollar secretary, and Marlene Birk treasurer. Senior pictures were first on the list. The senior play "Green Valley" was upon us before to be a success beyond all anticipation. We presented "Sweetheart Swirl" on February 14. With the train whistle blowing we boarded the train for a breathtaking six-day trip to New York and Washington. The senior Prom held in our cafeteria still lingers in our memories. The last few weeks of our school career brought us Class Night, Honor Assembly, and Commencement.

The sadness and joy that was yesterday has past; the adventure of tomorrow is at hand.

*We wish to thank
you personally, Mrs. Roe
and Mr. Batzer.*

Tempo di Mazurka

The musical score is written on ten staves in 3/4 time, featuring a key signature of two flats (B-flat and E-flat). The tempo is marked 'Tempo di Mazurka'. The score includes various musical notations such as triplets, trills (tr), and dynamic markings (p, mp, f, pp, cresc., poco rit., a tempo). Hand-drawn elements include a large treble clef, a large key character labeled 'Mr. Key Sponsor' in a speech bubble, and several student portraits circled in thick black ink. The portraits are labeled as follows:

- President Donald Hollar
- Vice-President Robert Giles
- Secretary-Treasury Mary Amerman

Other labels include '2nd Cl.' and '2nd.' near specific musical phrases. The score concludes with a double bar line and a final key signature change to one flat (B-flat).

In Memory

Never in fun again we'll say
We wish the school would burn
Only out of abject loss
Would seem we ever learn.
To see the worth of what we have
Our daily blessings measure
For deep inside we know for sure
That school is always treasure.
